winner

The Award Winning

ER54 MONTANA Lever

The Montana lever by Karcher Design is a modern and elegant stainless steel lever that beautifully suits a variety of settings. Each Montana lever comes with sophisticated features that make it an outstanding choice for design and value.

- 28 degree latch for ease of opening
- Concealed fasteners
- German-made with high-quality stainless steel construction
- Easy and efficient installation
- Available with round and square roses, and in satin stainless steel or Cosmos Black finishes. (The Cosmos Black finish won the Reddot Award for product design in 2019.)
- Winner of the French MUUZ International MIAW award for interior design.

All in-stock styles and finishes are shown on the back of this sheet.
