6" Base Filler w/Soft-Close

Rev-A-Shelf's fillers revolutionize otherwise wasted space in your kitchen. Normally a "filler" or extra space is simply covered up with a decorative front, but Rev-A-Shelf's line of fillers turn that otherwise waste space into useful space. Fillers are intended to be installed in new kitchen cabinet construction and will not work in existing cabinets. These units feature a BLUMOTION soft-close slide system, which is an upgrade from the ball-bearing slide systems.

8" Foil Wrap/Tray Divider Base Organizer w/Soft-Close

These organizers feature two compartments for storing baking sheets and platters, and the removable center racks allow you the ability to store larger platters and bakeware if desired. The unit is made from maple and glides on the BLUMOTION soft-close slide system. Door mounting is a breeze with patented door mount brackets that provide up to 5" of flexibility for trouble-free installation on any door style.
